Declaration

dot-lines UG hereby declares that the products supplied by our company comply with the requirements of **Directive 2011/65/EU (RoHS)** of the European Parliament and of the Council on the restriction of the use of certain hazardous substances in electrical and electronic equipment, including the amendments introduced by **Directive (EU) 2015/863 (RoHS 3)**.

This declaration is based on our product design, material composition and the conformity declarations provided by our suppliers.

Based on this information, the products supplied by dot-lines UG do not contain the restricted substances listed in Annex II of the RoHS Directive in concentrations exceeding the maximum concentration values permitted by applicable legislation.

Compliance with the RoHS Directive is continuously ensured through product design, supplier conformity declarations and material compliance management.

Should future legislative amendments or new information from our supply chain affect this declaration, dot-lines UG will review and update this declaration accordingly.

Restricted Substances

The products comply with the maximum concentration limits for the following substances:

- Lead (Pb)
- Mercury (Hg)
- Cadmium (Cd)
- Hexavalent Chromium (Cr⁶⁺)
- Polybrominated Biphenyls (PBB)
- Polybrominated Diphenyl Ethers (PBDE)
